Om Sairam,

With the divine blessings of Shri Shirdi Saibaba, the Sri Shirdi Saibaba Charitable Trust, Vayalpad, has been serving devotees by maintaining the temple premises and organizing regular religious and social service activities.

To further strengthen our mission and provide better facilities to devotees, the Trust has undertaken the construction of a Kalyana Mandapam in the temple premises. This hall will be used not only for conducting spiritual and religious functions but also for community welfare programs, Annadanam, and other charitable activities.

At present, the construction work is incomplete due to lack of sufficient funds. To complete this noble work—including finishing, flooring, electrical works, doors, windows, and other essential requirements—we humbly seek your kind support and generous contributions.

We request all devotees, philanthropists, and well-wishers to extend their donations and be part of this divine service. Your contribution will directly help in completing the Kalyana Mandapam and in ensuring the continued maintenance of the Shirdi Saibaba Temple, Vayalpad.
